

Plymouth Tree Partnership

Registered Charity No: 1161565

Membership application

Trees in towns and cities are essential to quality of life but their existence depends largely on local groups and individuals. Urban trees face many threats and when they are gone, funds have to be found for replacement planting. It is a huge task as many trees have already been lost or are in severe decline.

Plymouth Tree Partnership helps resident and community groups plant and care for trees in parks, streets, schools and public places. We do this by attracting donations and funding grants and by providing advice and practical support through a network of landscape professionals and volunteer Tree Wardens.

Joining Plymouth Tree Partnership makes you part of a wider community who are working to keep Plymouth beautiful and thriving into the future. A strong membership makes it easier to raise funds and to convince others about the value of landscape trees.

As an individual member of Plymouth Tree Partnership, you will:

- Have free entry to all partnership meetings.
- Receive regular news of activities and events in the local area.
- Be able to influence decisions by voting at general meetings.
- Have the opportunity to be elected as a trustee.

- Be able to influence decisions by voting at general meetings.
